

# 2nd Grade Summer Homework

Welcome to 2nd Grade! We're so excited to have you, and look forward to seeing you on Wednesday, August 8!

To help you get ready for 2nd grade, complete your summer homework.

We recommend getting a summer journal to record some of the activities you do. Glue the activity lists into the front of your journal so you don't lose them.

Monday - Friday:

- Read for 20 minutes each day of summer.
- Choose one activity to complete each day of summer vacation. As you complete an activity, check it off, and add it to your summer calendar.

Have a safe and happy summer!

Mrs. Stacey Fedderly (2A) and Mrs. Theresa Copeland (2B)
