

**St. Joseph Catholic School
McKay Scholarship
2015-16 School Year**

We will be renewing your McKay Scholarship when we process your registration with the understanding that you will be paying your tuition via this scholarship.

With the tuition for 2015-16 being \$5,675, you recognize that you will be responsible for the difference between this tuition and the scholarship amount. If you qualify for the Catholic Discount, it will be applied to this difference.

In addition, if you elect to pay the minimum registration fee of \$87 (\$75 in registration and the \$12 diocese fee) per child, you understand that you are still responsible for the full registration amount (\$400 if registered by March 16th for K-7, \$450 for 8 or \$475 if registered after March 15th for K-7, \$525 for 8) which will be spread throughout the school year for payment. In the event of a transfer or withdrawal, you will still be responsible for the full registration prior to records being sent to the new school.

By signing below, you agree to the above financial requirements.

I understand my financial responsibilities as stated above.

I will no longer be using the McKay Scholarship.
