

St. Joseph Catholic School Step Up Scholarship Confirmation 2015-16 School Year

We are anticipating the receipt of your Step Up For Students Scholarship Award Letter. Once you turn the Award Letter into our office, we will process your registration with the understanding that you will be paying for your tuition via this scholarship. Currently, the award states that 'the scholarship award amount is determined by the effective date of the scholarship and the school's published tuition and fees and may be as much as \$5,272.00 per child'.

With the tuition for 2015-2016 being \$5,675, you recognize that you will be responsible for the difference between this tuition and the award for a total amount of \$403.00.

In addition, if you elect to pay the minimum registration fee of \$87 (\$75 in registration and the \$12 diocese fee) per child, you understand that you are still responsible for the full registration amount (\$400 if registered by March 16th for K-7, \$450 for 8 or \$475 if registered after March 16th for K-7, \$525 for 8) which will be billed the beginning of the school year for payment. In the event of a transfer or withdrawal, you will still be responsible for the full registration prior to records being sent to the new school.

If you qualify for the Catholic Discount, it will be applied to the tuition and registration difference.

By signing below, you agree to the above financial requirements.

I understand my financial responsibilities as stated above.

I will no longer be using the Step Up for Students Scholarship.
