

SECOND GRADE SUMMER HOMEWORK

Summer Reading

It is important that your child continue to practice reading each day during the summer. We encourage students to read for at least 20 minutes a day.

Each time your child finishes a book, please record it on the Summer Reading Book Log provided. Please have your child read a minimum of 10 books by the end of the summer.

Recommendations:

- Mr. Putter and Tabby
- Henry and Mudge
- Jigsaw Jones
- Cam Jansen
- A-Z Mysteries
- www.getepic.com

Summer Math

It is very important that your child know their addition and subtraction facts (0-20), and can write their numbers in order 1-120.

Students can practice writing their numbers on the sheet provided. Feel free to make copies, or place it in a sheet protector and use with a dry erase marker.
