

♥ Welcome to Kindergarten

Dear Parents,

We are looking forward to a wonderful year in kindergarten. Completing the checklist below will help your child prepare for the year in kindergarten.

- Read, read, read! Enjoy reading to your child this summer.
- Help your child dress him/herself, including putting on sweatshirts and jackets, tucking in shirts, fastening hooks, and buttoning and zipping uniforms.
- Help your child use the restroom, blow noses, and wash hands independently.
- Teach your child to tie shoes.
- Help your child learn your address and phone numbers.
- Assign your child simple chores that can be completed independently, and expect the task to be completed on a regular basis.

Kindergarten children will need backpacks and blue and red rest mats. The larger green and light blue mats will not fit in the cubbies, nor will oversized backpacks like those with wheels. Other requested supplies will be included in the kindergarten supply list. The children will wear uniforms next year. All uniforms, including shorts, pants and skorts, must be purchased from our uniform company.

We can't wait to see everyone in August. We look forward to meeting with parents for orientation prior to the first day of school. Play lots and have fun this summer!

Sincerely,

Mrs. Englebrecht and Mrs. Dry
